Please be sure to invite a spouse, friend, or client as this will be a relaxing, enjoyable, and affordable evening. 🍊

### THIS MONTH'S MEETING IS ON WEDNESDAY!

### ERIC'S BLOG

Well sadly our 2016-2017 ASHRAE year is coming to a close. I appreciate all the effort and time people have put in for our Chapter to help make it run this past year. We could not have been successful if it wasn't for everyone's participation, including attending our meetings.

I know for many this was an especially busy year and it means a lot to us that you come to our meetings and support

the chapter. I feel very confident in our upcoming President for 2017-2018, Ken Golovko, and look forward to still being a part of the chapter helping out however I can as part of the Board of Governors.

Thank you again everyone for a great year and I look forward to seeing you for our May Installation Dinner or, if not, I'll see you all next year! **Eric Decker, President 2016-2017, ASHRAE Orange Empire** 🍊
